Agile 4 Year Old Sorrel AQHA Gelding

Gambler is an agile, athletic gelding with a lot of “get up and go” that serves him well in many disciplines. He has been ridden in a snaffle and a hackamore. Gambler loads in a stock trailer, has worked cows, and been over and through obstacles. This gelding may be little but he has a big personality. Gambler is anything but a long shot, so make a smart bet on this nice gelding.
