

# FRC A GUST OF MEMORY

## Enthusiastic 3 Year Old Gray AQHA Gelding

Gus is a handsome, athletic gelding. He is a pretty mover with a big comfortable stride. Gus is responsive to cues, picks up on new maneuvers with ease and does best when he has a job to do. Gus has a nice stop, smooth lead departures and guides well on a loose rein. He trailers, ties, bathes, stands for the farrier, and has had a rope thrown off of him. Don't blow past this gorgeous gelding, take him home and make some memories.

### About the Rider: Meleah Green

Meleah is graduating with an Associate's Degree in Horse Training. The experience gained at FRC in training young horses, working with pregnant mares, foals, equine nutrition, and so much more, has allowed Meleah to find her path in the equine industry. She plans to continue working with horses and hopes to have her own horse training program.
