

**A. Student Information**

Student's Name: \_\_\_\_\_ FRC ID: \_\_\_\_\_

Federal regulations require students to have graduated from high school in order to be eligible for financial aid. Graduation from high school includes having received a high school diploma, having a GED, or having completed homeschooling at the secondary level as defined by state law.

**B. High School Completion Status**

**High School Graduate/Equivalency** – Check the box of the document you will attach to this worksheet:

- The original high school diploma or official high school transcript which includes the graduation date
- The student's original General Education Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or an original state-authorized high school equivalent certificate.
- Students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document
- Official academic transcript of a completed two-year program acceptable for full credit toward a bachelor's degree
- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

**Non High School Graduate:**

I **do not** meet any of the statements above. Students who do not have a high school diploma or its equivalent and are beyond the age of compulsory education (18 in California) are **not eligible** to receive financial aid *unless* they meet certain eligibility criteria regarding prior college enrollment and may be considered under former Ability-to-Benefit (ATB) regulations. The Financial Aid Office will determine if you meet these requirements.
