- Label hyperlinks appropriately

These are just a few of the interesting topics covered in this session.

Flex Day Agenda

Tuesday April 24, 2018

8:30 – 9:20 Guided Pathways
Location: LRC 105

Join Derek and Carlie for an update on FRC’s recent efforts related to the Guided Pathways initiative. This will include a summary of the description of the 14 topical areas and the broad timeline for the Guided Pathways work plan.

Outcomes:

- Understanding of areas of focus for Guided Pathways implementation
- Understanding of timeline and funding possibilities of Guided Pathways implementation
- Knowledge of how Guided Pathways areas relate to individual employees’ roles at FRC

9:30 – 10:20 Strategies for Marketing and Recruitment
Location: LRC 105

Carlie and Sean recently attended the National Council for Marketing and Public Relations annual conference and brought back new ideas specific to marketing and recruitment at two-year institutions. Participants will learn about the latest recruitment and marketing strategies and trends.

Outcomes:

- Understand the use of photos, videos and social media to engage students
- Utilize cost effective strategies to market programs
- Use the college’s website as a marketing tool

10:30 – 11:20 Financial planning – PERS
Location: Gallery

Did you know that your District sponsors supplemental retirement plans known as 403b/457 plans? If you have CalSTRS or CalPERS, you probably realize that your pension alone most likely will not be enough to cover all of your retirement expenses, taking into consideration rising health care costs, inflation, etc. The difference between what you’ll get and what you’ll need is the Retirement Gap — your district’s plans are designed to help you close that gap.

Join us for an informative seminar presented by Zuk Financial Group that will discuss the following points:

- What are the supplemental Retirement Plans? Can I afford it?
- What are the differences between the 457 and a 403(b) plan?
- Do I need a Supplemental plan if I already have a pension?
- Can I contribute to a 457 plan if I already have a 403(b)?

Outcomes:

- Improved understanding of what your financial needs will be in retirement

10:30 – 11:20 Writing Across the Curriculum
Location: LRC 103

Getting students to write decent essays is seen as a difficulty in various disciplines and classes. Chris Connell, Joan Parkin, and Will Lombardi will present on practical methods and strategies for creating assignments, developing main topics and theses, and using models and formatting for improving student writing.

Outcomes:

- Create strategies for developing effective writing assignments
- Understand the purpose of a writing assignment and how to meet that purpose
- Identify and use practical models for student writing
- Provide practical methods for creating suitable topics
- Enhance the ability of students to create thesis and topic statements
- Develop criteria for formatting and structure

11:30 – 12:20 Financial planning – STRS

1:00 – 2:30 Title IX, sexual harassment, and sexual assault

Location: Gallery

Join Dylan Saake, Title IX Coordinator and Director of Labor Relations and Compliance at CSU, Chico, for a discussion on current issues related to sexual harassment and sexual assault, both for employees and students. This discussion will include a broad overview of how federal and state laws and regulations protect individuals and will include a focus on California-specific considerations.

Outcomes:

- Improved understanding of federal and state efforts to curb sexual assault and sexual harassment
- Understanding of, and sensitivity to, current landscape of common issues related to sexual assault and sexual harassment in higher education

2:30 – 4:30 CPR/AED training

Location: Allied Health

Join Judy Mahan for Adult CPR/AED training. Come on down to the Allied Health building to get certified on life saving techniques. This class hasn't been offered for two years so come on down and get certified. Class space is limited to eight on a first come basis and please bring \$5 for your CPR card. If more than eight wish to participate Judy will arrange for another instructor. **PLEASE RSVP TO JUDY** so she can prepare.

Outcomes:

- Learn how to provide CPR
- Have qualified staff on campus in the event CPR is needed

2:30-3:30 Classroom technology tour

Location: meet in Equine classroom, visit other classrooms

Do you have questions about technology in campus classrooms? Do you have ideas and suggestions about classroom technology that can enhance teaching and student learning? Join the informational technology staff for a tour of classroom technology. Instructors will be introduced to some of the recent classroom updates and to some new "showcase" classroom

additions around campus. This will be a great opportunity to talk about classroom technology needs.

Outcomes:

- Learn about new and updated classroom technology
- Improved communication between faculty and IT staff

3:30 – 4:30 Campus service in the CDC

Please join our CDC staff and families in a mini-yard party event. As you all know last winter our playground was 75% destroyed from some severe flooding. We have come a long way in rebuilding. However, we are far from finished. We have many small/medium/large playground projects that we can use your helping hands to complete. If you are willing to give us your valuable time please wear clothes you don't mind working and digging in. Some projects will include: Assembling items, garden repairs and planting, raking, painting, and setting up outdoor learning centers. We have cold water and snacks for all of you coming to help the CDC rebuild. Thank you!

Outcomes:

- Greater sense of campus community
- Campus improvement
