Experience the Difference of Living and Learning at Feather River College

Welcome to your home away from home. We are pleased to be a part of your college experience. Feather River College Student Housing is owned and operated by Feather River College and the Feather River College Foundation. FRC Student Housing strives to provide a living environment that is comfortable and conducive to building a positive community, study, and intellectual achievement. There are three student housing facilities operated by FRC. Our Apartment Style Dorms on campus have a capacity of 160 residents, the Meadows Apartment has a capacity of 28 residents, and our newest facility, the Pines, which is a more traditional style dormitory, has a capacity of 45 residents.

The main office for Student Housing is located in Building 1 of the on-campus dorms. The hours of operation are generally Monday to Friday 8:00am – 4:00pm (hours are posted on the office door). Please note that all payments, including rent, security/cleaning deposits, and housing parking permits, are to be made at the Student Accounts office on the FRC campus. Student Accounts is located in the Admissions and Records office inside the Student Services building.

Feather River College is a center of learning for all of its students; therefore, we believe in free inquiry and free expression. Students are encouraged to develop the capacity for critical judgment and to learn about themselves and others. The freedom to learn depends upon appropriate, safe, non-prejudiced opportunities and conditions in the classroom, on campus, and in the larger community. Students should respect this environment and act with civility, courteousness, and responsibility.

With this in mind, the College and Student Housing policies and regulations are presented as the minimum code of orderly conduct while attending Feather River College. They should serve as a guide to obtaining freedom and to respecting the freedom of others. As a resident of student housing, you are responsible for knowing and following all of the policies and regulations which appear in this Handbook, the College Catalog, or any other official College memorandum or publication. The Housing Manager has final responsibility for decisions on fines and evictions related to violation of policies stated in this Handbook. Residents can appeal any decision of the Manager to the Chief Student Services Officer through the formal Student Complaints and Grievance Procedure (AP 5530) The Complaint/Grievance form can be found on the website at www.frc.edu; look under Student Services, Student Policies.

The following information serves as a guide to living and learning at Feather River College. In it you will find information ranging from who makes up Student Housing staff to where to get your mail. We hope that you will find this Handbook to be useful; however, it may not answer all of your questions or concerns. We strongly encourage you to contact your Resident Assistant or any other member of the staff for further information.

Housing Team

Resident Assistants (RAs)

Resident Assistants (RAs) are staff members who live in student housing; RA's are assigned to each building. RAs are selected on the basis of leadership and other personal qualities that enable them to assist residential students with concerns and everyday issues. They will help with lock outs, security, and trash violations.

Administrative Support

These individuals coordinate the daily activities in the office including answering questions, data processing and are most likely the first people to greet you in the Housing office.

Common Room

The Apartment Style Dorms and the Pines have common rooms that are open to residents and accompanied guests and include a television, recreational equipment, and lounge furniture. Removal of common room furniture is prohibited and may result in student conduct action. Sleeping in this room is prohibited. Programs and events planned in the common room must be approved by the Manager. These events will be given priority over other daily activities.

Computer Services

All student housing facilities offer limited wireless internet service. If you experience problems with internet service, please submit a Service Request form stating the problems you are experiencing.

Laundry

Coin operated washers and dryers are located at all housing facilities. The laundry rooms are open 24 hours. Report any problems with the washers and dryers by submitting a Service Request form. If there are any questions concerning mail delivery or if your mail key is lost/stolen, please contact the Bookstore Manager. Packages must be picked up at the Bookstore.

Should a student want telephone services, he/she must contact AT&T to activate an account. Problems with telephone service should be reported directly to AT&T. Residents must set up appointments with AT&T to get service.

Trash & Recycling

Please dispose of all trash in the large, green trash dumpster located in the parking lot. There are also recycling bins located outside each room for glass, plastic, cardboard, and paper. FRC supports environmental sustainability and asks that you use these bins. Trash left outside of units attracts wildlife; therefore, **leaving trash outside a unit will result in a fine.**

Parking

All Feather River College Traffic and Parking Regulations are in effect and applicable for on-campus residents. Student Housing parking permits must be purchased in person at the Student Accounts office on campus. There is an additional fee for a housing parking permit per semester. Each resident will be permitted to register one vehicle. If a parking permit is lost, please go to the Student Housing office.

Student Housing parking is restricted to designated parking lots; driving and parking along the buildings is strictly prohibited. The only exception is a resident who has an official disabled person parking placard issued from DMV. Failure to abide by residence parking policy may result in the vehicle being ticketed and/or towed at the owner's/operator's expense.

Non-college community members visiting campus must have a visitor parking pass and park in designated areas. Visitor parking passes must be obtained by a resident student at the Student Housing office. For the security and safety of all college community members, driving and parking along the buildings is strictly prohibited. Violators may be ticketed/towed at the owner's/operator's expense if cars are parked illegally.

NO PARKING ON THE MIDDLE ROAD OF THE ON-CAMPUS DORM FACILITY....NO EXCEPTIONS!!!

Pest Control

Please notify a Student Housing staff member if there is any problem with insects or rodents in a room or unit. A Service Request form must be submitted for a member of the maintenance staff to enter the room or unit during regular business hours to address the problem. Residents do not have to be present, but an accurate description of the problem must be given. All non-perishable food should be stored in airtight containers and well wrapped. No food is to be placed on windowsills. Food must be properly stored or discarded during vacations.

Safety & Security

Student Housing provides secure access, smoke/heat alarm systems, a camera monitoring system, and 24-hour Public Safety surveillance around each facility. Safety is everyone's responsibility. Report any unusual, dangerous, illegal, harassing, or otherwise unsafe behaviors to a Student Housing staff member or Public Safety. All residents are required to fill out a form that states previous criminal records. This form is on file at the Student Housing Office.

Prohibition Against Sexual Harassment

Feather River College seeks to maintain an educational environment free from any form of discrimination or harassment including but not limited to discrimination, harassment, and/or violence on the basis of sex in accordance with Title IX of the Education Amendments of 1972.

Title IX of the Education Amendments of 1972 provides that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. The law considers harassment or violence based on sex to be a form of discrimination. Feather River College prohibits discrimination against or harassment of students on the basis of sex in connection with all academic, educational, extra-curricular, and other programs of the college, whether they take place in the facilities of the college, at a class or training program sponsored by the college at another location, or elsewhere. As such, the Feather River College's sexual harassment policies (BP/AP 3430, BP/AP 3540) apply to Student Housing. These policies apply whether the alleged harasser is a Feather River College employee, a fellow student, a visitor to the college, or a vendor of the college.

Feather River College prohibits discrimination or harassment of all forms, including but not limited to sexual discrimination, sexual violence, or sexual harassment (including intimidating/bullying behavior based on gender). The college shall exercise reasonable care to prevent and promptly correct discrimination, violent, or harassing behavior and shall develop preventative or corrective measures to address these behaviors. Feather River College also prohibits retaliation against anyone for reporting discriminating, violent, or harassing behavior or for participating in discrimination or harassment investigations or lawsuits.

Students who believe they have observed or been the object of sexual discrimination or harassment or sexual violence has the right to file a complaint with the Title IX Compliance Officer identified below. All complaints of alleged sexual harassment or discrimination against students will be promptly investigated under the oversight of the college's Title IX Compliance Officer. Crime Prevention Tips

Criminals who see an opportunity will take risks. Assault and robberies can happen to anyone, anywhere, at any time. If we work together, we can stop crime before it occurs. Crime reduction on campus requires the continued active support of the college community. The following are a few suggestions, which may help to prevent crime by planning ahead for personal protection.

Personal Safety...What You Can Do!

The best defense against crime is to take adequate precautions, and always practice good personal safety. Precaution and prevention are the most effective tools that can be used to reduce the chances of falling victim to a crime. Know the current environment and be alert at all times, whether at home, out walking (especially at night), driving or at work.

At Home, or Your Student Housing Apartment/Room,

- Keep doors and windows locked when at home to keep out unwanted visitors.
- Lock all doors and windows whenever exiting. Even the best locks will not work if you do not use them.
- Do not automatically open the door when someone knocks.
- Do not loan room keys to anyone.

When Walking

- Plan routes in advance; stay away from alleys, fields, and dark areas; avoid shortcuts.
- Walk on lighted walkways on campus.
- Don't walk alone. Walk with a friend, especially at night.
- Use Plumas County buses. Wait for the bus with a friend.
- If being followed, change directions and head for a public place.
- Have keys ready to enter a car, room, or apartment immediately.
- Do not accept rides from strangers. Do not hitchhike.

Guest/Visitation - day and evening (residents of the Pines, see page 24)

A resident's right to privacy and comfort takes precedence over the roommate's privilege to have guests. It is important for roommates to discuss visitation of guests to arrive at an agreement acceptable to all roommates in the unit. If there are any problems with visitation, please contact the Housing Manager, Assistant Manager, or an RA. The visitation policy will be strictly enforced. Residents may be subject to student conduct sanctions and/or a fine if the guest visitation period is exceeded or any policies are violated.

Non-Resident Visitation:

A non-resident is defined as any person who is not a designated resident of the specific student housing facility. Non-resident guests who are not a family member must be at least 18 years of age. Non-residents must possess a valid photo ID (driver's license, work/college ID). Non-residents must be in the presence of the host resident at all times. The storage of guest/visitor property within the units is prohibited. Non-residents may not use a resident's keys. Non-residents are prohibited from visiting in Student Housing for an extended period of time; the maximum length of time allowed is one night. Any non-resident can be asked to vacate Student Housing at the discretion of the Housing Manager, Assistant Housing Manager, RA, NRA or security officer at any time. Failure to vacate the premises upon request may result in the issuance of a persona non grata or trespass warning which prohibits future visits to Student Housing facilities. Failure to abide by this issuance may result in the arrest of the individual and judicial action upon the host. Non-residents must comply with all college policies and Student Housing rules/regulations. **Residents who have allowed a non-resident to live in their unit for any period of time will be fined \$200.**

Residents that host non-residents are responsible for the non-residents' behavior. If a non-resident is not following the student handbook the resident that is hosting them will be penalized. Non-residents who are FRC students can be held accountable for their actions per College policies and procedures. If a non-resident creates a disruption and

affects a roommate, other residents, or the community, they may be asked to leave and the resident may be held accountable for their actions. In cases where a non-resident damages property or violates Housing/College policy, the resident host may be subject to student conduct sanctions and/or restitution.

- All non-residents must contact their host to be signed in.
- All non-residents, including parents and family members, will be required to sign in at the dorm office or for The Meadows, with the RA on duty. Any exceptions will be made by the RA on duty.
- Residents will be limited to signing in two (2) non-residents. There is an 8 person occupancy limit on 4-person units. There is a 4 person occupancy limit on 2-person units.
- Hosts will be required to bring their FRC IDs to the duty desk when signing in non-residents.
- All non-residents will be required to present a valid photo ID at the duty desk. The ID must be a college ID, driver's license or other appropriate form of identification.
- Residents signing in a non-resident as an overnight guest must do so at the dorm office during office hours or for The Meadows, with the RA on duty.

The dorm office is staffed:

- Monday to Friday – Hours may vary and will be posted on the office door.
- Saturday and Sunday- Office is closed contact your RA

Times are subject to change based on staff coverage.

During Vacations and School Breaks

When leaving for the vacation periods, residents are responsible for the following:

- Closing and locking all windows and doors.
- Drawing the blinds on all windows in the unit.
- Cleaning the rooms/unit; empty wastebaskets, remove all perishable food items from refrigerators and rooms, and take all trash to the designated location. A \$25 fee will be charged for each bag of trash that Student Housing staff has to remove from the unit.
- Unplugging all electronic appliances, excluding housing issued refrigerator, microwave and oven. This includes unplugging personal refrigerators.
- Taking all personal items that will be needed during the break period.
- Lowering the heat in the unit to 65 degrees and set to auto.
- Removing all valuable personal belongings.

A Student Housing staff member will check each room and unit to ensure that the above guidelines have been followed.

Health and Safety Inspections

The College expects a certain level of cleanliness and safety standards to be maintained in all student housing facilities. It is the responsibility of all residents within a unit to maintain a clean and healthy living environment. The student housing buildings will only be used for residential purposes; no solicitation or commercial use of the property is allowed. Student

Housing Management reserves the right to allow authorized personnel to enter into the living area or resident's room at any time.

Students who reside in any student housing facility must comply with all College policies and this Handbook. Any violations by students which pose a risk to health or safety may result in immediate termination of this agreement.

To ensure that these standards are met, the Housing staff will conduct:

- Weekly “walk-thru” to make sure the unit common areas are kept in a safe and sanitary condition.
- Monthly health and safety inspections of the entire unit; including individual bedrooms.
- California State fire safety inspections of the entire unit; including individual bedrooms.

If a problem is noted in the room/unit, residents will be given a written request to rectify the situation by a specific date. At that time, the room/unit will be re-inspected. Failure to correct a documented problem may result in judicial action. Excessive damage or a problem that produces an unsafe/unhealthy living condition may result in judicial action including, but not limited to, housing probation, professional cleaning charges or the loss of student housing privileges.

A resident choosing to terminate the housing agreement is required to meet with the Housing Manager and be responsible for the financial penalty. If a housing agreement is terminated for any reason, the resident must return all keys to a Student Housing staff member and vacate his/her room immediately following inspection.

Key Cards and IDs

Each resident will be issued one key card, which will open the outer door to their room. It is the resident's responsibility to carry their keys and FRC Student ID at all times and to present IDs when requested by a college official, member of student housing management or employee of the Feather River College Student Housing. Residents must report lost/stolen key cards to the Housing Manager. Residents may not allow anyone to borrow their housing issued key card or student ID card. Duplication and unauthorized use or possession of College or Student Housing key cards is prohibited. Violation of these policies may result in student conduct action. Residents must use their student ID card to gain access to student housing facilities. A lost/stolen/broken ID card may be replaced for a fee of \$10.00 through Photo ID located in the Student Housing office.

Lockouts

Residents who are locked out should contact an RA. If an RA cannot be contacted, the resident should contact the Manager. If the Manager cannot be contacted, the resident should contact Public Safety. Student IDs must be presented at the time of the lockout. Housing staff members will only let residents into their assigned room. Staff members will not give residents access to other residents' rooms. Staff will not unlock doors for guests. Upon the assistance for each lockout by a staff member, the resident will be required to verify that they are in possession of their keys. Residents who cannot produce their keys may be charged for a lock change. **Lockout assistance will be completed at the**

earliest time feasible to the Housing staff or Public Safety. Leaving room doors unlocked is dangerous and also places all roommates' belongings at risk.

Maintenance Problems

If any Student Housing property in a room needs repair, a Service Request form must be submitted. The Service Request form can be submitted online at: www.frc.edu/housing/Student-Housing-Forms.cfm. Residents failing to report maintenance problems could be held responsible for any resulting damages. All repairs must be done by authorized College personnel only. Any unauthorized repairs may result in judicial action. If the request has not been completed within five (5) working days, please notify the Housing Manager. For all after-hours maintenance-related emergencies, contact Jason Newman at 530-283-0202 ext. 414. All maintenance requests will be addressed as soon as possible; higher priority is given to more severe repairs.

Mandatory Hall/Floor Meetings

During the semester, some housing meetings will be designated as "mandatory" by the Student Housing staff. Residents must attend mandatory meetings with their RA. Failure to attend these meetings could result in missing out on valuable information and it will be the responsibility of the resident to get the information. Residents will be held accountable for any information disseminated. Many meetings are not mandatory; however, it is highly recommended that residents attend all meetings for housing so that they are aware of all information that is being provided for their benefit.

Prohibited Items

The following are prohibited in or around Student Housing facilities and violators are subject to immediate action and/or removal by Housing personnel. FRC Student Housing reserves the right to authorize personnel to confiscate any prohibited item or item deemed to be a danger to the individual, other residents or college property at any time. Confiscated items must be picked up by the resident within thirty (30) days of confiscation for the purpose of taking the item off-campus. Quiet Hours

Residents are members of a community and are expected to act responsibly and not to interfere with the rights, comfort, or safety of their roommates or other residents. Excessive noise and disorderly behavior will not be tolerated. Courtesy hours are in effect 24-hours a day. Residents have the right to ask (with the expectations of compliance) that fellow residents hold noise to a level that he/she will not be able to hear. If a resident does not comply with the request by a fellow resident or staff member, student conduct action may be taken

In addition to courtesy hours, specific quiet hours are as follows:

- 10:00pm to 9:00am on Sunday-Thursday nights
- 12:00 AM (midnight) to 9:00 AM on Friday and Saturday nights

During quiet hours, residents are requested to refrain from: congregating in the walkways or lobby areas; loud talking or laughing, pounding, running; and playing loud music, radios, television, or musical instruments. Quiet hours pertain to the interior and surrounding areas of the housing units. During posted final exams periods, quiet hours will be 24-hours a day.

Student Housing Check-In/Check-Out Procedures

Upon occupancy of a room/unit, residents will be required to review a room condition report that has been completed by a Student Housing staff member. This report should be reviewed thoroughly and accurately with great detail, and previous damage items should be included. Residents will have 24 hours from the time of check-in to claim any additional damages to the room condition report. After the 24 hour grace period has expired, the resident will be responsible for the condition of the room/unit.

Upon check-out of the room/unit, a preliminary check-out will be conducted by a Student Housing staff member. The preliminary check-out does not serve as the final damage assessment to the room/unit. After Student Housing is closed, a thorough inspection will be conducted where the current condition of the room/unit will be compared to the original room inspection report filled out when the resident moved into the room/unit. Cleaning expenses, repairs, and costs to replace lost, missing, or damaged items, will be deducted from the security/cleaning deposit. Damages that incur a cost greater than the security/cleaning deposit amount will be billed to the resident's student account.

To avoid unnecessary charges during check out, be sure to follow all of the guidelines provided by the Student Housing staff. Residents who improperly check out of Student Housing will forfeit the opportunity to appeal any damages or fees. Upon leaving, the room/unit must be clean and free from all trash and personal items. Any items that are found after keys are turned in will be discarded and a fee will be charged against resident's security deposit. Residents must turn their room key in to a Student Housing staff member. Residents will be assessed a fee for keys that are lost or not returned at check-out. This includes vehicles that are left in parking lots without prior permission. A resident choosing to terminate the housing agreement is required to meet with the Manager or the designee to be advised regarding their financial responsibility.

Room Changes

Room changes are not allowed unless prior approval has been given by the Student Housing Manager. Residents requesting room changes may contact the Manager for more information.

Room Decorating

Residents may not damage any surfaces of furniture when decorating their room. The room and furnishings may not be painted or permanently altered in any way. When hanging items on the wall it is important to remember to use substances that will not damage the wall. Nails, hooks, sticky adhesives, etc. are not allowed. If the room or furnishings are damaged in any way, the resident will be billed and may be subject to student conduct action. Additionally, residents may not cover their walls or hang from their ceilings items such as tapestries, sheets, canopies and fishnets. Window curtains must be manufacturer-made and hung only with a tension rod. Items are not permitted to be hung or placed over light fixtures or smoke detectors. Wall decorations are limited to 20 percent of each wall of the room. Wall decorations cannot cover windows, such as blankets or tapestry, and must be at least 18 inches below the ceiling height.

We recommend the following products for hanging pictures/posters on the wall to avoid excess damage. These items are widely available in the FRC Bookstore, or the hardware aisles at Home Depot and Wal-Mart:

- Tacks/Push Pins
- OOK® Picture Hangers and thumbtacks (for hanging items on sheetrock walls)

Tips to Avoid Excessive Damage Charges

Room Entry

Feather River College Student Housing reserves the right to authorize personnel to enter into any area of a unit in the absence of the resident. The authorized personnel include, but are not limited to: professional members of the FRC Student Services staff, Resident Assistants, the Student Housing Manager or Assistant Manager, Public Safety, and repair/maintenance personnel.

Student Housing staff will inspect rooms during semester breaks and other times designated by the Manager or Assistant Manager. If it is believed that an immediate danger exists in a bedroom or unit, staff will contact Public Safety for assistance. Examples of these situations include, but are not limited to: fire, possession of chemicals, explosives, weapons, or other items that would cause serious injury. The same procedure is prescribed if the danger involves assault or other acts constituting possible jeopardy to persons or property. Staff or residents may be asked to assist in an emergency situation requiring room entry which threatens immediate harm to the safety of the individuals. Staff may also enter into a resident's room to eliminate disruptive noise from electronic equipment which may violate an individual's right to sleep or study. This includes, but is not limited to: unattended stereos, televisions and alarm clocks. State and federal laws govern entry of police officers and Public Safety officers into a resident's room for purposes of investigation. This includes, but is not necessarily limited to: officers in possession of a valid search/arrest warrant, hot pursuit, a safety emergency, or when a police officer/security officer has probable cause to believe a felony is being or has been committed by the individual therein.

Room Furnishings

Mattresses are to be used only on the provided bed frames. All beds must remain free standing on the floor supported by legs attached to the bed frame. The Student Housing staff will take inventory during check-in and all items recorded on the inventory form must remain in the room at all times. Residents may be limited in the amount of personal furniture in each room or unit. Damaged or missing furniture will be billed to the resident of the room. To avoid excessive mattress damage, it is strongly recommended that residents bring an extra-long twin mattress pad for their bed. Residents in double rooms may bunk their beds by obtaining the proper equipment from the Student Housing Manager.

Only beds and mattresses provided by FRC Student Housing are permitted. Furniture supplied is known to meet flame spread and smoke retardant requirements. Air mattresses or personally supplied furniture may compromise this requirement.

Security/Cleaning Deposit

The Security/Cleaning deposit may be applied by the DISTRICT toward reimbursement for any cost incurred including (1) unpaid rent, (2) cleaning expenses, (3) repairs for room

damage, (will be based on current replacement and/or repair costs) (4) replacement of other items including but not limited to lost or damaged keys, equipment, or furnishings. The Security Deposit will otherwise be refunded.

After an official check-out at the end of the academic year, rooms/units will be inspected and assessed for missing or lost items, items left in poor condition, damages, and cleaning. A \$25 fee for carpet cleaning and any other assessed fees will be subtracted from the security/cleaning deposit. If a balance remains, the balance will be refunded to the resident. If the assessed fees are greater than the deposit, the resident will be invoiced for the difference. **If the resident does not officially check out with a Student Housing staff member**, the deposit will first be applied to items 1-4 listed above. If a balance remains, the balance will be refunded to the resident.

Smoking

There is to be absolutely NO smoking in any Student Housing facility. This includes cigarettes, cigars, aromatic cigarettes, herbal cigars, hookahs and burning incense. If you are caught smoking in your room, you will be fined.

Storage

Storage of resident belongings outside of the resident rooms is not provided. Contact a member of the Student Housing staff for information about off-campus storage solutions. FRC Student Housing assumes no responsibility for loss of personal property on the campus. Residents will not be compensated for loss of personal property in any Student Housing facility during a regular semester, during a summer session, or over a vacation period. Student Housing staff may dispose of any belongings left by residents who have withdrawn, have been suspended, removed from Student Housing or who vacate their room/unit for any other reason.
