It is the intent of the law for all eligible students to have a comprehensive SEP on file, but it is not required for the award payment.

Enrollment
- Full time attendance

Cal Grant B or C award
- The student is receiving a Cal Grant B or C award

SAP
- The student is maintaining federal satisfactory academic progress

Residency
- The student is a California resident or is exempt from paying nonresident tuition under Section 68130.5 or 76140

Payment for 12 to 14.99 term units or quarterly equivalent.
- Semester term amount: $649
- Quarter term amount: $432/433
- Annual amount: $1,298

Payment for 15+ term units or quarterly equivalent
- Semester term amount: $2,000
- Quarter term amount: $1,333/$1,334
- Annual amount: $4,000

Summer
- If funds are available after paying the student for fall and spring semester terms, colleges may grant additional awards to students who take a sufficient number of units during the summer term to bring their total number of units to 24 units or more for the academic year. See sample scenarios.

Total Academic units
- If funding is available after paying summer term awards, grants could be prorated to allocate a larger amount to students who take a sufficient number of units for a total of 30 units or more for the academic year. Annual amount: $4,000. See sample scenarios.

If appeals are permitted in the institution’s federal SAP policy, the determination must be included and documented in compliance with federal regulation.

The Chancellor’s Office encourages the financial aid offices to support Guided Pathways and AB 705 so that we help more students reach success in 120 units!

No need to follow through with progression towards degree objective, since maintaining federal SAP is now required.
