June 23, 2020

Dear FRC Housing Student,

Feather River College with support from the U.S. Department of Education, has made funding available for students affected by the COVID-19 pandemic through the student portion of the CARES Act Higher Education Emergency Relief Fund (HEERF). HEERF provides funding to colleges and universities to award emergency financial aid grants to students, specifically for your expenses related to the disruption of campus operations due to COVID-19.

As you may know, FRC allocated a portion of this funding to assist you in covering the costs associated with retrieving your belongings from our residence halls. **By meeting your appointment time and following our social distancing check-out protocol, you have met the qualifications to earn \$200 from our CARES Act Federal funding.**

Please note that these funds may be taxable and reported on your 1098-T. The College is awaiting further direction from the U.S. Department of Education.

FRC Student Housing appreciates your flexibility and understanding with the disruption to the semester. We hope you are having a great summer!

Sarah Ritchie  
Student Housing Manager
