Daily COVID Symptom Screening

• If a student has indicated they are experiencing symptoms/exposure, they will be flagged.
  • One flag, must be cleared by an “Admin.”.
    • Currently Valerie and Juan are the only Admins, looking to add Dora and Crystal.
• Students will be triaged/have additional screening from PDH.
• PDH will notify an Admin. if they are cleared or of guidance given to the student i.e. quarantine, testing, etc.
• Students who have been ordered to quarantine or isolate, may not participate in classes or campus activities.

Daily COVID Symptom Screening

• Rosters can be created for classes.
• Instructors can review the roster to see the status of each student in their class.
• Instructors could also ask students to show them their “cleared” email upon entering the class.
  • Email is day and time stamped

Sample Syllabus Statement:

SAFER Play – Daily COVID Symptom Screening
FRC has adopted a COVID symptom monitoring system called SAFER Play. Students will receive a **daily** email to their FRC email to report any COVID symptoms. Once submitted, students will receive an email response letting them know they are clear, or that they need to stay home, and contact their healthcare provider for additional guidance.
