1. Approval of Agenda/Meeting Minutes

- a. Approval of Agenda - First from Angelina, Second from George
- b. Approval of Minutes 9/25/20 – First from George, Second from Angelina

2. Items to Review/Discuss

- a. Middle of Semester Check-In
 - a. The officers discussed that Julia Halverson is going to step down as secretary. She is not enrolled in any on-campus classes this semester and her work schedule conflicts with meetings. She also does not plan to enroll for the spring. Lelaau (Molia) Tuia was attending to see what the meeting was like and Jesse is considering her as a replacement.
 - b. Jesse shared that events are going well, free food is always good. The group discussed that students want to see other people and get out and move around. They are needing engagement and connection. Fall fest was good, saw people they had never seen before.
 - c. Students would like to know more about where we are in the phases/tiers of reopening and what that means for dorms in terms of visitors and what not. Carlie shared that she would follow up with housing. Perhaps a sign or flyer could be shared with residents.
 - d. Students seem to be doing ok on classes although seem more focused on getting worked turned in and less on learning. Angelina shared that from her tutoring experience it seems that students are doing work, but not always turning it in to get credit for it. The group continued discussing some of the challenges of online classes and it is more difficult. They feel like instructors are also having a hard time and some seem a bit lost and some are so much more effective in person.
 - e. Other questions for spring plans included – what will classes look like; will there be more housing to accommodate students. Carlie shared that classes will look pretty much the same as this semester with lectures online and labs, activity classes, hard to convert, and essential workforce categories on campus. In terms of more housing, IHE guidelines state 1 person per room or 6ft. of distancing when that cannot be maintained. Right now we are looking at

doubling up the larger rooms at the Pines and filling some of the quarantine rooms since students are unlikely to move out of their room and stay in an unfurnished room anyway. Other arrangements could be made in the event of a positive case, like going home, isolating the whole unit, or a hotel.

b. Club Reports

- a. Jesse spoke to Keshawn about scheduling a BSU meeting soon. He also spoke to Dr. Parkin and she'd like to see and help keep Social Justice in Journalism Club going.
- b. Jesse suggested a meet the clubs Zoom meeting to try to get more participants.

c. Upcoming Events/Previous Events Report

- a. Jesse and Bama provided a report for the Fall Fest events. Jesse said overall Oodles and Noodles was the best event in terms of fun and attendance. It was a bit slow to start, but got going and everyone had fun. He thought that because the event was in person and physical, students really enjoyed it. The report (attached) also detailed the movie nights so far with the first movie, Jumaji that was shown outside having the best attendance.
- b. Jesse, Bama and Carlie will connect on something for Halloween, even just a treat bag.
- c. Diversity committee is hoping to sponsor a movie for Veteran's Day. The hope was to be at the THT, but the manager was not sure if they would be opening yet. Other options might be similar to the film fest where you can purchase a ticket.
- d. There are some workshops in the works. Topics include: transitioning to all online classes after Thanksgiving, Tips on Mental Health and Coping with Stress and Cooking on a budget.

d. Goal and Objectives/Future Projects for Spring Semester

- a. Carlie will follow up with Dr. Trutna regarding a box for the time capsule. The group discussed ideas of items to put into it such as team pictures for the year. They would like to bury it in the spring and have a bbq.
- b. The officers would like to do something to thank PDH, PH, and FRC staff for all of their help in our efforts to safely returning students to campus.

e. Thanksgiving/Christmas Break Questions

- a. The group discussed questions about finals and what staying after Thanksgiving break would look like.
 - i. Carlie assumed there would be no formal finals schedule and instructors would be responsible for communicating with students. She will confirm with Dr. Lerch.
 - ii. Bama shared that for those who are staying at Thanksgiving; there will be a bowling night and students can get a bag of groceries to make sure they have food the days campus is closed.
 - iii. We will still hold the annual Thanksgiving lunch sponsored by the Diversity committee, but it will be to go only. The theme will be Keep the Traditions Going.
