WELCOME TO THE

24TH ANNUAL FEATHER RIVER COLLEGE

PRODUCTION HORSE SALE

Welcome to Feather River College's Annual Production Horse Sale. We hope you enjoy the day at our facility on the beautiful FRC campus. This sale offers a variety of horses ranging from 3 year old horses with a solid foundation to older riding horses. There are 21 registered American Quarter Horses in the sale this year. Please take the time to view the preview on Friday, May 13 at 1 pm and Saturday, May 14 at 9 am. The live auction will begin at 1 pm on Saturday so we hope to see you ringside! If you are not able to make it in person, liveauctions.tv will be providing a live webcast and online bidding.

At Feather River College, our horse training philosophy comes from a variety of *true horsemen*. Guest lecturers and clinicians come to add to our instruction. This year we have hosted on campus Bryan Neubert, Terril Heaton and Trevor Carter. Students had the opportunity to travel over spring break to visit Gene and Gail Armstrong, Nick Dowers, Darrel Norcutt, Brendan Clark, Lizzy Horve, and Tucker and Tina Robinson.

Over the last twenty-four years, this sale is successful with the help of Eric Duarte's superb auctioneering skills. We would also like to thank Nick Dowers for judging the competitions and for his very knowledgeable commentary during the auction. We would also like to thank Maxime Morin for judging the sale horse preview events. Feather River College would also like to thank the ringmen, Kris Gudel and Eric Drees for their ringside assistance. We would also like to thank John Dickinson with liveauctsion.tv for hosting the webcast of this year's horse sale and enabling the live, online bidding.

Please thank the Feather River College Equine Studies students for all their hard work to make this sale a great success. They can answer all of your questions about the horses they have trained, about the Equine Studies Program, or about their plans for the future.
