

# Make An Impact On Campus

## And Get PAID While Doing So!

### Student Ambassadors at FRC

Student Ambassadors participate in one of the most rewarding and fun jobs on campus! Student Ambassadors play a central role in helping new students transition to FRC, as well as planning and running events to support student life on campus. Ambassadors also develop leadership skills and professional development, which looks great on college applications and resumes. If you like making an impact, working with a fun team, and making money while doing so, this role is for you! **Please apply by April 18.**
