Important Changes to Your Account Terms

Most of our customers with recurring transactions (that is, Same Charge/Every Month) are asking us to manage them more smoothly, and we have listened. From now on, your recurring transactions will continue even when your account number changes, except for certain merchants who insist on customer contact. Your agreement will reflect this change. Here is how your agreement is changing:
RECURRING PREAUTHORIZED TRANSACTIONS. Recurring preauthorized transactions occur when you authorize a merchant to automatically initiate a transaction using your account on a recurring basis. If we issue a new credit card with a different account number or expiration date to you, we may (but are not obligated to) provide your new card account number and expiration date to a merchant with whom you have set up a recurring preauthorized transaction in order to continue your recurring preauthorized transactions. There will be circumstances where you will have to contact the merchant.
