Kindergarten Health Records & Immunization Records

If you have a child that is currently enrolled in our Kindergarten program, please be sure to submit all needed health records to the office as soon as possible. Additional copies are available in the office if needed.

The Kindergarten Health forms include:

- CHIRP Consent
- MCT vision screening
- Immunization record
- Health Questionnaire
- Physician Certificate of Examination
- Dental Exam
- Medication consent (if applicable)

If your child is new to the school this year, then a current immunization record is needed. If you have not yet submitted this to the school office please do so.

Art Materials Needed

Art classes have started again for the 2018-2019 school year, and Mrs. Colter is in need of magazines (preferably animal, home and garden, travel, and food themed subscriptions), newspapers, and styrofoam egg cartons! If you have any of these materials to donate, please drop them off in Mrs. Colter's office in the Early Childhood Center on Wednesday and Thursdays or with Mrs. Fox in the front office. Thank your for your help, and we look forward to another creative year in art class!

CLS Golf Classic

Ensure that Central Lutheran continues to provide a high quality Pre-K through 8th grade education to our community for many decades to come and enjoy a round of golf while you're at it! The annual golf outing will take place Saturday, September 15, at 1pm at Whispering Hills Golf Course. Visit CLSGolfclassic.com to register or become a sponsor.

A Note from the Nurse

A reminder of our policy on fever and vomiting: For your child's sake and the sake of other children, students need to be fever free (without the use of fever reducing medications) for 24 hours before returning to school. We ask that students go 24 hours without vomiting before returning to school as well. Thank you!

Changing Footprints

Central Lutheran School is joining forces with Changing Footprints, a non-profit organization that collects new and used shoes and disperses them to those in need, both in the United States and abroad. We will be collecting shoes of all kinds and qualities in the orange tubs at the main entrance until September 24. Everything from ice skates and cleats to tennis shoes and flip flops, even old shoes with holes and missing laces. Shoes that aren't able to be reused will be sent to Nike Grind where they will be used as material for playgrounds and athletic fields.

If you have a child in 6th or 7th grade who would like to sell, but didn't sign up for a packet at registration day, please email Christine Castens (castensbck@hotmail.com) and she will send a packet home with your child. You have until September 4th to sell!
