CENTRAL LUTHERAN

900 Green St. New Haven, IN 46774 | 260.493.2502 | office@cluth.org

Changing Footprints - ENDS MONDAY!

Central is joining forces with Changing Footprints, a non-profit organization that collects new and used shoes and disperses them to those in need, both in the United States and abroad. We are collecting shoes of all kinds and qualities in the orange tubs at the main entrance until September 24. Everything from ice skates and cleats to tennis shoes and flip flops, even old shoes with holes and missing laces. Shoes that aren't able to be reused will be sent to Nike Grind where they will be used as material for playgrounds and athletic fields.

Culver's Night - Monday Night!

Central's preschool is hosting a fundraiser night at Culver's! Join us for dinner on Monday, September 24, from 5:00-8:00pm at the Culver's at Stellhorn and Maplecrest. A portion of every sale made in both the dining room and the drive thru that night will go back to the Central Lutheran Preschool program! No coupons are needed, just show up and enjoy a dinner (or dessert) with your family.

Old National Tools For Schools Grant

Central could win a \$1,000 grant from Old National!

Your vote will determine the winners! Voting runs through 11:59pm on September 30, 2018. To cast a vote in support of Central, please visit oldnational.com/toolsforschools daily! You can vote once each day!

A Note About Child Supervision

As we settle into the school year, and extracurricular activities begin, we would like to remind families that if they are in the building after school hours for events that their children should be continuously supervised. We want to ensure the safety of all people using our facility and the easiest way to do that is with your help. Thank you for doing your part as a member of the Central Family!

Parent Preppers

Looking to help out at school but just don't know where, or what, to do? Join us on Friday mornings from 8-10 and help us cut, staple, make copies-whatever teachers need done! We are meeting in the conference room of the early childhood wing. Bring a coffee and come ready to help! Please make sure you sign in at the front desk and get a badge. Any questions, please email Naomi Kline at mrskline04@gmail.com.

A Note From the Nurse - Sleep Habits

According to the American Association of Pediatrics, the following amounts of sleep are recommended to promote optimal health:

- 3 -5 year olds should sleep 10-13 hours per 24 hours (including naps)
- 6-12 year olds should sleep 9-12 hours per 24 hours
- 13-18 year olds should sleep 8-10 hours per 24 hours

Adequate sleep durations for age on a regular basis leads to improved attention, behavior, learning, memory, emotional regulation, quality of life, and mental and physical health. Not getting enough sleep each night is associated with an increase in injuries, hypertension, obesity and depression, especially for teens who may experience increased risk of self-harm or suicidal thoughts.
