

Information about the Maritime to Interdisciplinary Studies Pathway:

The list below documents courses approved for transfer between Northshore Technical Community College and The University of New Orleans through the State of Louisiana Board of Regents Master Course Articulation Matrix (<http://www.regents.la.gov/page/master-course-articulation-matrix>). Articulation agreements are subject to change.

Northshore Technical Community College students who have completed the Associates Degree in Maritime Technology Vessel Operations Track will be admitted as juniors in the Bachelors of Interdisciplinary Studies at the University of New Orleans provided they meet the requirements as outlined in the agreement. All students must meet the minimum requirements for transfer admission to UNO as stated in the UNO Undergraduate/Graduate Catalog in force at the time of their application for admission.

The total number of credit hours required to complete a bachelors degree in Interdisciplinary Studies at UNO is 120 hours. Students may transfer up to 60 credits from NTCC before transferring to UNO. NTCC students who successfully transfer to UNO will earn a bachelors degree in Interdisciplinary Studies from the University of New Orleans after successfully completing the additional required credit hours (68) at UNO and meeting all UNO degree requirements.

You can learn more about UNO’s Interdisciplinary Studies degree program at the following webpage: <https://www.uno.edu/IDS/>.

If you have any questions about courses or transfer articulation, please email admissions@northshorecollege.edu.

Maritime to Interdisciplinary Studies Pathway Course Guide
Northshore Technical Community College and The University of New Orleans

First Semester			
NTCC	Common Course Title / Elective Options	UNO	✓
ENGL 1015	English Composition I	ENGL 1157	
MATH 1015 (or 1005)	College Algebra (or College Algebra Fundamentals)	Math Elective	
Biology Elective	BIOL 1010, 1020, BIOL 1100, BIOL 1200, BIOL 2200, BIOL 2300	Biology Elective
