

# Northshore Technical Community College

## Academic Renewal Form

Northshore Technical Community College permits students who have not attended college for a period of one semester the opportunity to apply for academic amnesty. The application must be submitted to Student Affairs prior to the 14<sup>th</sup> day of the semester for fall and spring semesters and prior to the 7<sup>th</sup> day of the semester for the summer semester. A student is still required to furnish transcripts from each college previously attended if a student intends to save credit completed with a grade of "C" or higher before the one semester of absence.

---

**Warning:** Academic Renewal applies only to Northshore Technical Community College. When a student transfers to another institution of high education, that institution may use all college work in the calculation of the grade point average. Academic Renewal does not exempt a student from the college financial aid policies. Grades earned in programs such as Nursing in which there is a limit in the number of times a course can be repeated, may not be eligible for Academic Renewal. Students should consult with their Divisional Dean at the time of application.

---

**To the Vice Provost of Student Affairs:**

**I do hereby request that I be granted academic amnesty for my college work at:**
