Silky Sullivan Memorial Endowed Scholarship

The Silky Sullivan Scholarship was established by The Greater Mandeville Police Foundation, as well as family and friends of Charles “Silky” Sullivan. This scholarship provides the opportunity to pursue careers related to criminal justice and to encourage students of promise and need who come from backgrounds that might not include aspirations to gain higher education. Silky Sullivan, whose career included being a resource officer for Mandeville High School as well as a Mandeville police officer, was an advocate of technical studies in higher education. This scholarship allows his passion for helping others achieve their educational and career goals to carry-on.
