Richard Weeks Two Year Maritime Workforce Scholarship Endowment

Established by Weeks Marine in tribute to Richard N. Weeks (Dick Weeks). Richard N. Weeks (Dick Weeks) is Chairman of Weeks Marine, one of the leading marine construction, dredging, and tunneling firms in North America. Under his leadership, Weeks Marine has grown into a strong national marine contracting business fielding a fleet of over 400 vessels. Weeks Marine has a history of employing NTCC students and graduates. After touring the STEM Campus in Lacombe, Dick made a direct investment to the support and continued development of the school’s Maritime Technology program. Because of his commitment and dedication to education, Dick allocated a portion of that investment, establishing the Richard Weeks Two Year Maritime Workforce Scholarship Endowment.

Program(s) eligible: Maritime Technology program and any NTCC maritime transfer-based pathway

Awards

NTCC will award 1 scholarship per academic year. Recipients will be recognized at the Chancellor’s Sunrise Breakfast on April 18, 2019. Any debts owed to Northshore Technical Community College must be paid prior to disbursement of scholarship funds.

Eligibility

- Must be enrolled in good standing (both academically and financially) at Northshore Technical Community College
- Must have declared a major in the Maritime Technology program or any NTCC maritime transfer-based pathway
- Students must have completed all Developmental Education coursework required of them before entry.
- Students must have successfully completed 12 hours of coursework
- Students must be registered as full-time students
- Students must possess a Grade point average of at least a 2.5

To be considered, all applicants must complete an application by March 15, 2019. Applications can be found at https://www.northshorecollege.edu/financial-aid/scholarships.

All applicants applying will receive email notification of the committee’s decision

Only completed applications will be considered.
