Weeks Marine Two-Year Student Workforce Scholarship Endowment in Welding

Each year, subject to availability of funds, a $500 scholarship will be awarded to a full-time student at Northshore Technical Community College enrolling full-time in the Welding program. NTCC will award 1 scholarship per academic year. The scholarship may be renewable (based on application) if the student remains in good academic standing and enrolled at NTCC for the duration of the scholarship. Recipients will be recognized at the Chancellor’s Sunrise Breakfast on April 18, 2019. Any debts owed to Northshore Technical Community College must be paid prior to disbursement of scholarship funds

ADDITIONAL SCHOLARSHIP INFORMATION:
The recipient is selected by Northshore Technical Community College’s Scholarship Selection Committee. Additionally, students who apply for the scholarship must meet the following criteria:

- Must be enrolled in good standing (both academically and financially) at Northshore Technical Community College
- Must have declared a major in either the Technical Diploma or Associate of Applied Science in Technical Studies (Welding) program at Northshore Technical Community College.
- Students must have successfully completed 12 hours of coursework at time of application
- Students must be registered as full-time students
- Students must possess a Grade Point Average (GPA) of at least a 2.5
- Applications are due by March 15, 2019

At the end of each semester, Northshore Technical Community College will verify the student’s progress in the program to determine whether the student is eligible to reapply for scholarship the following semesters. Upon graduation, Northshore Technical Community College will request information from the scholarship recipient regarding certification testing outcomes and initial employment information.
