Joan King Smith Memorial Scholarship

History and purpose: The Joan King Smith Memorial Scholarship was established by Chris and Marianne King in memory of Joan King Smith, a woman, mother, and friend who was passionate about taking care of others and spent a lifetime doing it.

Joan was always there for her family and friends during their time of need. She spent hours, days, and even weeks bedside caring for those that were sick. Her friends always told her that she missed her calling of being a nurse. Joan would always nod her head in agreement. This scholarship is established in honor of Joan King Smith, to financially assist others like Joan who are passionate about taking care of others and wish to pursue an education in Allied Health.

NTCC will award one Joan King Smith Memorial scholarship per academic year. The recipient will be recognized at the annual Chancellor’s Sunrise Breakfast in April. Any debts owed to Northshore Technical Community College must be paid prior to disbursement of scholarship funds.
