Patricia “Patsy” Wainwright Memorial Scholarship

History and purpose: The Patricia “Patsy” Wainwright Memorial Scholarship was established by her son Dr. William S. Wainwright and his family. Dr. Wainwright is the Chancellor of Northshore Technical Community College. This scholarship provides HiSET graduates the opportunity to pursue any program of study offered at Northshore Technical Community College upon successful completion of the HiSET program. Patsy earned her GED in 1970 and passed away at the age of 32 after a courageous battle with cancer. Her value of education and example of completing her high school degree despite life’s challenges inspired her sons, nieces, and nephews to advance generations of higher education, training, certification, and formal degrees. This scholarship supports HiSET graduates in advancing quality of life and personal goal attainment that will serve as an investment for future generations.

NTCC will award one Patricia “Patsy” Wainwright Memorial Scholarship per academic year. The recipient will be recognized at the annual Chancellor’s Sunrise Breakfast in April. Any debts owed to Northshore Technical Community College must be paid prior to disbursement of scholarship funds.

Eligible Programs of Study: all

Eligibility Criteria:

- Must have completed HiSET
