Workforce Full-Tuition Scholarship for Machine Tool Technology

Full-tuition Machine Tool Technology scholarships may be awarded to incoming students from Northshore Technical Community College’s five parish service area (St. Tammany, Washington, St. Helena, Tangipahoa and Livingston) enrolling full-time in the Machine Tool Technology program at the Sullivan Campus in Bogalusa, LA. The scholarship is for full tuition, for three consecutive semesters. Minimum requirements are a high school diploma or have successfully completed the HiSET exam.

SCHOLARSHIP INFORMATION

The Workforce Machine Tool Technology scholarship fund provides scholarships to assist students who will enroll full-time in NTCC’s Machine Tool Technology program. The recipient is selected by Northshore Technical Community College’s Scholarship Selection Committee. Additionally, students who apply for the scholarship must meet the following criteria:

- Completed FAFSA on file at time of application, with Northshore Technical Community College’s School Code: 006756
- Student must be a resident of Louisiana and from NTCC’s five parish service area (St. Tammany, Washington, St. Helena, Tangipahoa and Livingston)
- Student must register full-time
- Student must declare a major in the Machine Tool Technology program at Northshore Technical Community College’s Sullivan Campus in Bogalusa, LA
- Student must successfully complete a minimum of 12 hours of coursework each semester to continue receiving the scholarship
- Student must maintain a grade point average of at least a 2.0 to continue receiving the scholarship
- Interested persons should contact Darriona Lee, 985-545-1408 as soon as possible

*At the end of each semester, Northshore Technical Community College will verify the student’s progress in the program to determine whether the student is eligible to receive for scholarship the following semester(s). Upon graduation, Northshore Technical Community College will request information from the scholarship recipient regarding certification testing outcomes and initial employment information.*
