Construction Pathways Scholarship

History & Purpose: The Weeks Marine & Louisiana Construction Education Foundation Endowed Scholarship was established in November 2020 to support education for Jump Start certificate and Jump Start diploma recipients enrolled in NTCC construction pathways programs. NTCC will award one scholarship per academic year. The recipient will be recognized at the annual Chancellor’s Sunrise Breakfast in April. Any debts owed to Northshore Technical Community College must be paid prior to disbursement of scholarship funds.

Programs: Air Conditioning and Refrigeration, Building Technology Specialist, Electrician, Welding

Eligibility Criteria:

- Must be enrolled in good standing (both academically and financially) at Northshore Technical Community College
- Completion of an NTCC scholarship application, https://www.northshorecollege.edu/financial-aid/scholarships
- Full-time enrollment in one of the eligible programs listed above in the summer or fall semester immediately following high school graduation
- Completion of a Jump Start certificate or Louisiana high school Jump Start diploma

Additional Selection Criteria:

- Strength of industry credential earned in high school
- Academic achievement such as GPA, course work, and skills competition recognition
- Participation in Career and Technical Student Organizations

Submission Instructions and Deadline to Apply: Apply using the form found at https://www.northshorecollege.edu/financial-aid/scholarships.
All applicants applying will receive email notification of the committee’s decision. Only completed applications will be considered.
