Big Frog Custom T-Shirts Scholarship

Northshore Technical Community College is proud to introduce a new scholarship opportunity for students seeking our Practical Nursing program. Big Frog Custom T-Shirts Scholarship was established in 2021 to benefit students enrolled in the Northshore Technical Community College Practical Nursing Program. Joey Marceaux, the owner of Big Frog Custom T-Shirts and More of Hammond, emphasized the importance of local businesses investing in NTCC students, “The Big Frog Custom T-Shirts Scholarship was created in part of the mission of our locally owned and operated business. We strive to give back to the community in an impactful way, and what better impact can we have than to invest in someone’s future!”

Eligibility for the scholarship requires a minimum cumulative GPA of 2.5 and successful completion of two semesters in the NTCC Practical Nursing Program. Mr. Marceaux said that “during this past year, we were all reminded of the crucial role essential healthcare workers play for all of us. Having nurses in the family, we know the importance of these individuals to all of us and wish to be part of ensuring that there are always sufficient frontline workers that keep us all safe and well or come to our aide when we are not. As a committed community partner, this annual scholarship commitment will grow as our locally owned and operated business grows! We are thrilled to be a part of NTCC’s mission in Building Futures!”

Expanded scholarship opportunities in addition to financial aid availability and affordable tuition make NTCC a great choice for anyone taking the next step in personal and professional growth. Whether enrolling after high school or changing or accelerating your career, opportunities abound at NTCC. For more information, please visit www.northshorecollege.edu.

About Northshore Technical Community College

Northshore Technical Community College (NTCC) is a comprehensive college with a rich history of providing workforce education and academic pathways to universities across the state of Louisiana. Beyond the traditional classroom and workforce training opportunities, NTCC provides opportunities for students seeking our Adult Education, ESL, and YouthBuild programs. NTCC is comprised of its Main Campus in Lacombe, Hammond Area Campus, Florida Parishes Campus in Greensburg, Sullivan Campus in Bogalusa, Connect to Success Campus at Southeastern, Livingston Campus in Walker, and Rayburn Correctional Center. In 2015, NTCC was recognized by the Brookings Institute as the first in the nation for the economic value of its graduates. The Chronicle of Higher Education named NTCC in 2019 as the seventh fastest-growing college from 2007-2017. NTCC was also awarded the Top 50 Places to Work in New Orleans by the Times-Picayune in 2018, 2019, and 2020. Northshore Technical Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges.
