PROGRAMS OF STUDY

Comprehensive credit-bearing coursework leading towards a certificate, technical diploma, and/or associate degree.

Training programs (non-credit) are designed to improve workforce-related skills or develop personal expertise.

Pathways to in-state and out-of-state universities and colleges designed to prepare you for transfer into a bachelor's degree or specialized program.

Programs for adult learners including alternative high school completion (HiSET testing/training; formerly known as the G.E.D.) and English language/civics.
