MINUTES

Welding Advisory Committee Minutes December 8, 2021

Present: Justin Jenkins, Jonathan Brewer, Justin Cutrer, Ron Thomas, Levi Shiffer, Stamper Scott, Lee Freeman

Absent:

Justin Jenkins welcomed the group and expressed his appreciation for their support.

Old Business: No old business was discussed

New Business: Justin Jenkins opened the new business by passing out the materials to be reviewed: Admissions Requirements, Program Content, Program Length, and Program Objectives.

The committee reviewed the Admission Requirements for the welding department. No recommendations were made.

The committee reviewed Program Content. Justin added that because of the Covid-19 virus, the school went more hybrid. Meaning that the classes are split online and in person on campus. Also NCCER has went completely online. The committee were all in favor of the new plan of action.

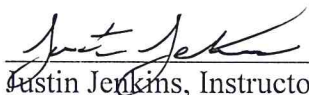

The committee reviewed the Program Length. Justin said that the welding program still requires 4 semesters to graduate. No recommendations were made by the committee.

The committee reviewed the Program Objectives. The committee approved of the changes made. No further recommendations were voiced.

The committee reviewed the Plan of Work for the Spring 2022 meeting: Review Equipment Materials, Review Delivery Modes of Instruction, Review Student Evaluation, Complete Employer Program Verification Form.

There was no further business to discuss, so the meeting adjourned.

Respectfully submitted,

Justin Jenkins, Instructor

Advisory Committee Meeting Minutes
May 11, 2022

Present: Jonathan Brewer, Justin Cutrer, Justin Jenkins, Stamper Scott, Ron Thomas, Levi Shiffer, Lee Freeman

Absent: John Moiling, Ian Burke, Bill Langston, Russell Lambert, Wayne Herring

Jonathan Brewer opened the meeting by thanking everyone for coming and expressed his appreciation for their support.

Old Business: The group recalled the admission requirements, program content, program length, and program objectives that were discussed in the December 8 committee meeting.

New Business: Mr. Jenkins handed everyone a folder containing: Spring 2022 Plans of work, and signature sheets for Equipment and Materials, Delivery Modes, and Student Evaluation. After the folders were handed out, Mr. Brewer began the discussions on Equipment and Materials, Delivery Modes, and Student Evaluation.

Equipment and Materials: Mr. Brewer led the group around the Welding Shop and showed the welding equipment and materials that the students use daily. The group had a discussion about the shop and materials, and the group agreed that the shop as well as the materials in the shop met appropriate standards.

Delivery Modes: Mr. Brewer reviewed the delivery modes with the group. No suggestions were made.

Student Evaluation: The committee reviewed the hands-on and written/online assessment. No suggestions were made.

Employer Program Verification Form: Mr. Brewer gave each member of the committee and Employer Program Verification Form, and each member completed it.

Other Business:

Since there was no other business to be discussed, the meeting was adjourned.

Respectfully Submitted,
