Occupational Advisory Committee Meeting

Welding Minutes

December 6, 2021

The welding department held its occupational committee meeting at the Florida Parishes Campus on December 6, 2021. Members enjoyed coffee and refreshments and toured the department looking at equipment, supplies and the classroom.

Ricky Hano called the meeting to order. Those present: Ricky Hano, Shane Chouest, Roddy Karl, Kelly Blades, Nicky Villar.

Absent: None

The committee approved the minutes of the last meeting. There was no old business to discuss.

New business:

Shane Chouest is a new Welding Instructor for the college. This is Ricky Hano's final semester at the college. Job posting for new instructor is on the college website.

The committee reviewed welding Curriculum: Admissions, Program content and length, delivery modes and equipment and materials in the welding department. No recommendations were made.

The committee reviewed welding program assessment plans, student evaluation, and program health index. No recommendations were made.

There were no action items.

Shane Chouest told the committee about the high school dual enrollment students that were attending in the morning. They will complete NCCER core. Ricky Hano told the committee about the college students attending classes. He also thanked the committee for coming and being willing to work with the college.

There being no further business, the meeting was adjourned.
