2019-20 Food & Nutrition Services News

WELCOME BACK TO SCHOOL!

MENUS

You can find your school’s breakfast and lunch menus on our SchoolDish food service page or on the hendricks.k12.in.us meal menu page.

WHAT MAKES A LUNCH MEAL?

Each day your child is offered a lunch meal containing the following food components: Protein, Whole Grains, Fruit, Vegetable, and Milk!

Since student customers like to choose the foods they eat, we give them the option to decline some items they do not want. Out of these 5 food groups your student is offered, they must choose at least 3 food groups, but one of the food groups must be a fruit or vegetable. Of course they can take all 5 for the most nutritious and filling meal, but the choice is up to them!

BREAKFAST

Breakfast choices are a little different. Students must take at least 3 of the offered items at breakfast from these food groups: Whole Grain and/or Protein, Fruit, & Milk!

Did you know that if you qualify for free or reduced priced lunch, that includes breakfast too?! Join us every morning, breakfast is a great way to kick off your child’s day!
