

New and Improved Drop-off & Pick-Up Plan for Thorndyke Elementary

The City of Tukwila, Tukwila School District and Thorndyke Elementary have been working together to tackle the challenges regarding student pick-up and drop-off at Thorndyke Elementary.

Some of the changes include:

- Change of layout and traffic flow pattern through parking lot (See example).
- Added parking spots.
- There is **NO PARKING** in the designated drop-off area, Bus Zone or on S. 150th St.
- Parents need to follow the line of cars. Stay in your car and teachers will bring your child to you. If you choose to park, you will need to get back into the line of traffic. (See red arrows in diagram)
- Please do not let your car idle while waiting.
- The Tukwila Police Department has initiated enhanced enforcement in the area and will be ticketing illegal parking and speeding.
