RE: Updates

As you know, we are still facing an unprecedented public health crisis. We know it has been a stressful few weeks as the situation evolves on a daily basis.

We wanted to share information regarding the following essential services for students and families:

District Office Hours

We have revised our hours of operation. The District Office and the Service Center will now be open 8:00 a.m. to 4:30 p.m. We will be closed for lunch from 12:00 p.m. to 12:30 p.m.

Breakfast and Lunch Services

Free breakfast and lunch will be available to all children aged 18 and under who live within our district boundaries. Meals may be picked up at any Tukwila School District bus stop at the regularly scheduled morning pick up times, Monday through Friday. In addition, meals are available for pick up at any Tukwila school building between 10:00 a.m. to 12:00 p.m. Monday through Friday.

Childcare

Although we have made progress, the childcare requirements have recently changed. We continue to collaborate with our partners to determine childcare options and finalize the details. Our plan will be communicated as soon as it is finalized.

We appreciate your patience and understanding during these trying times as we work to continue to provide vital services for our students and families.

As part of our coronavirus response, we will be sending frequent updates with information and resources via email, school messenger, social media channels and our website at www.tukwilaschools.org.

Again, we want to thank you for being an amazing community. Together, we will get through this.

Flip Herndon, Superintendent
