June 16, 2020

Greetings Tukwila School District Parents and Guardians,

We hope this letter finds you safe and healthy as we navigate uncharted waters in our schools and our communities. The staff in the Tukwila School District realize that we are in unprecedented times and we would like to know how are families are coping with all of the challenges that they have been presented with since our school closures. In an effort to have this information we are providing a short survey to all parents and guardians that have students in the Tukwila School District.

There are currently three ways the survey can be completed:

- Parents and Guardians can complete the paper survey that is part of this communication. Upon completion of this hard copy survey, you will have to drop it off at the Tukwila School District Administration Office at **4640 S 144th Street, Tukwila, WA 98168**.
- A second option to participate in this survey is the online option. In order to access this option, you will have to scan QR code below with a cell phone and the code will navigate you to the survey located on the Tukwila School District website.
- The third option is to use your computer and go search this link with your internet browser: <https://www.surveymonkey.com/r/TSDcoronavirus>

Only one of the options above needs to be followed in order to participate in this important survey opportunity. Students in grades 4 through 12 will also be survey as well as Tukwila School District Staff. We look forward to your participation in our survey so that we may better serve the students and families of the Tukwila School District during this very challenging time.

Yours in Education,

A handwritten signature in black ink, appearing to read "J.D. Baker", with a long horizontal flourish extending to the right.

Jeffrey D. Baker
Executive Director of CTE, Data and Technology Services
Tukwila School District
