Erie Lake View School Based Health Center

The Erie Lake View School Based Health Center is made possible through a partnership between Lake View High School, Erie Family Health Center, and Advocate Illinois Masonic Medical Center/Advocate Medical Group.

The goal of the Health Center is to improve the physical and emotional health of students attending Lake View High School, and to teach them life-long, positive health behaviors by providing quality, comprehensive primary healthcare. Students must have a signed parental/guardian or confidential consent form on file before they can receive services at the Health Center.

The Health Center is located on the first floor of Lake View High School. Health Center staff includes licensed Nurse Practitioners, Physician Assistants, Family Physicians, Clinical Psychologists and other supporting staff.

The Health Center is open Monday through Friday from 8:00 am-4:30pm, opening at 10:00 AM on Wednesdays. If your child is uninsured, there may be a minimal $3 sliding fee to receive services. We have trained staff on-site that can assist your family with enrolling in programs that offers Illinois uninsured children comprehensive healthcare.

The staff of the Health Center considers parental involvement vital. Every student is encouraged to involve parent(s)/guardian(s) in healthcare decisions. However, confidentiality between the student and healthcare providers will be ensured in specific service areas designated by the law, and will not be discussed with parent(s)/guardian(s) unless agreed upon by the student.

Services available will include but are not limited to the following:

Health Assessment and Physical Exams • Routine physicals and health screenings • School, sports and employment physicals	**Nutrition Counseling** • Weight Management • High blood pressure, anemia, and high cholesterol • Eating disorders
Laboratory Services • Throat cultures • Diabetes screens • Routine blood tests • Urine tests • Pregnancy tests • Rapid HIV testing • Blood pressure screening • Immunizations** • Tuberculosis testing	**Counseling Services** • Assessment of stress, depression and adjustment difficulties • Assessment of alcohol & drug problems • Counseling for emotional & behavioral issues • Individual, group & family counseling

ERIE FAMILY HEALTH CENTER SCHOOL HEALTH PROGRAM
IMMUNIZATION CONSENT SHEET

Under Federal Law, it is now required that parents sign specifically to authorize immunizations that their minor children receive and parents must also receive written information about each immunization.

If your child receives immunizations at an Erie Family Health Center school-based site, your child will be bringing home written information about the immunizations that he/she will receive. If you have any questions about the written information on the immunizations, please feel free to call (312) 666-3494 to reach the Erie Family Health Center.

In order to avoid frequent visits to the Health Center to provide your signature for authorization, we have designed this form for you to give consent in advance, if you would like. By signing below, you give consent for your child to receive immunizations if he/she is due for any of them.

Please attach a copy of any immunization records you have for your child.

With my signature, I give consent for my child _____to have
(Child's Name)

ERIE FAMILY HEALTH CENTER SCHOOL HEALTH PROGRAM
CONSENT FORM

Parent Legal Guardian Consent for Care:

I, (or the patient named above) hereby consent to receive the services offered by Erie Family Health Center's School-Based Health Program. I understand that physicians, nurses and other health care providers in training may, under the supervision of appropriate personnel, participate in the treatment and I consent to such student involvement in the care. This consent is valid for the duration of the above named minor's enrollment in the CPS/EFHC site. I understand that I may withdraw my consent at any time.

All students under the age of 18 are eligible for services if they have obtained written parental consent or if they are otherwise permitted under Illinois law to consent on their own behalf to such care. In addition, a parent, legal guardian, or student who is permitted under Illinois law to consent on his/her own behalf has a right to refuse any health care services.

Comprehensive medical care includes the same services my child could receive in a doctor's office or clinic. Such services may include, but are not limited to:

- **School and sports physicals**
- **Immunizations *** *please review immunization consent form on previous page*
- **First aid for minor injuries**
- **Examination, diagnosis, and treatment of complaints/acute medical problems/illnesses being identified by my child.**
- **Diagnosis and treatment of illnesses, such as: diabetes, high blood pressure, etc.**
- **Medication administration**
- **Application of fluoride varnish (used to strengthen your child's teeth)**
- **Delivery of prescription medications**
- **Counseling services include support that a social worker/counselor would provide the student related to classroom difficulties, substance abuse, and/or other adolescent development issues.**
- **Nutritional counseling**
- **Reproductive health services**
- **Laboratory services, such as blood or urine samples**

I understand that Health Center staff may request that I sign additional forms with regard to certain types of treatment or procedures for my child. I understand my child may consent to certain types of services, and that confidentiality between the student and the Health Center professionals will be ensured in specific areas designated by Illinois law, and will not be discussed with the parent/guardian unless the student agrees. I further understand that the medical records obtained by the Health Center are confidential.

I have read the above information and have had the opportunity to have my questions answered. I understand that I may revoke this consent at any time*. I do hereby give my consent for my child to receive services offered by Erie Family Health Center.

CONSENT TO OBTAIN MEDICATION HISTORY

Patient ID: _____

As a user of an electronic medical record, your Erie provider would like to include your medication history in your record. A medication history is a list of prescription medicines that we or other doctors have prescribed for you. This list is collected from several sources, including your pharmacy and your health insurance.

An accurate medication history is very important to help us treat you and to avoid potentially dangerous drug interactions. By signing this consent form you give us permission to collect, and give your pharmacy and your health insurance permission to give us information about your prescriptions that have been filled at any pharmacy or covered by any health insurance plan. This includes prescription medicines to treat AIDS/HIV and medicine used to treat mental health conditions, such as depression. This information will become part of your electronic medical record, Should your provider feel it is important to your medical care.

This medication history is a useful guide, but it may not be complete. Some pharmacies do not make drug history available to us, and the drug history might not include drugs that you purchased without using your health insurance. Your medication history might not include over the counter medicines, supplements or herbal remedies. It still is very important for us to take the time to discuss everything you are taking, and for you to tell us about any errors in your medication history.

_____ I give permission for Erie Family Health Center to obtain my medication history from my pharmacy, my health insurance and my other healthcare providers.
