1. LSC Chair Peggy Herrington called the meeting to order at 7:00pm. Roll call was taken and a quorum established.
2. Approval of Agenda:
3. Open Session: Principal Karafiol left the meeting and members of the community were given the opportunity for public comment on principal performance.
4. Closed Session: Members of the community were asked to leave the meeting so LSC members could conduct principal evaluation. LSC members conducted principal evaluation by reading through each Competency A-E and giving a score of 1-4. Peggy Herrington recorded each score, totaled them up and read the results aloud to LSC members. This portion of the meeting was audio taped.
5. Open Session:
 - a. A motion was made to approve the evaluation.
 - b. LSC members were reminded that Illinois School Code prohibits public disclosure of numerical scores or ratings and they are expected to maintain confidentiality of results.
 - c. Peggy Herrington will call Principal Karafiol with results after meeting adjourns.

d. Within a week of the meeting (by April 19), a written copy will be presented to Principal Karafiol.

e. Principal Karafiol can discuss the evaluation with a subcommittee of 2-3 LSC members and can request a re-vote in any given area of evaluation. The LSC will have the opportunity to go into special session at the regularly scheduled meeting on May 17 if Principal Karafiol would like to discuss any parts of the evaluation.

6. Adjournment of meeting.
