Mr. Whitenwhyler wanted to bring to the attention of the LSC that roughly 12-24 classes exceed the ISBE 32% limit of diverse learners in any class and concerns that several class sizes are over the limit, a few significantly so. Ms. Binger likewise raised her concerns of large class sizes, including two classes with 40+ students.

Principal Karafiol stated that he is very aware of these issues, is unable (due to scheduling) to address these issues in Q2, but is looking to address them when the master schedule is redone for second semester.
