Student representative Report:

Provided full student report

- Looking for ways to make the online experience better.
- Planning to send out a form to collect feedback on a regular basis from athletes and for each grade level.
- Providing greater recognition that college is not the only option and providing greater support/more information for those interested in non-college paths (e.g., trade schools, military)
- Looking to motivate involvement in getting LVHS to support Special Olympics
- Working with AD O'Neil, put together a proposal for improvements to the aquatics area, including installation of new timing system software from Colorado Timing System and full pool revamp. Estimated costs would be \$18,700, with funding to be provided by team fundraising and support from the LSC, Friends of Lake View, and community donations.
