Guidelines for Painting a Parking Space

In order to follow all city and district codes, please note the guidelines below that must be followed for the painted parking spaces:

- All painting must be within the parameters of the template
- WATER BASED EXTERIOR LATEX PAINT is the only type of paint that can be used!
- No Reflective paint.
- No Spray paint.
- No Fluorescent paint.

*Students, at own expense, must provide his or her own paint and supplies (brushes, rollers, etc.).

*Failure to follow any of the above guidelines will forfeit your painting privileges and no refunds will be given.

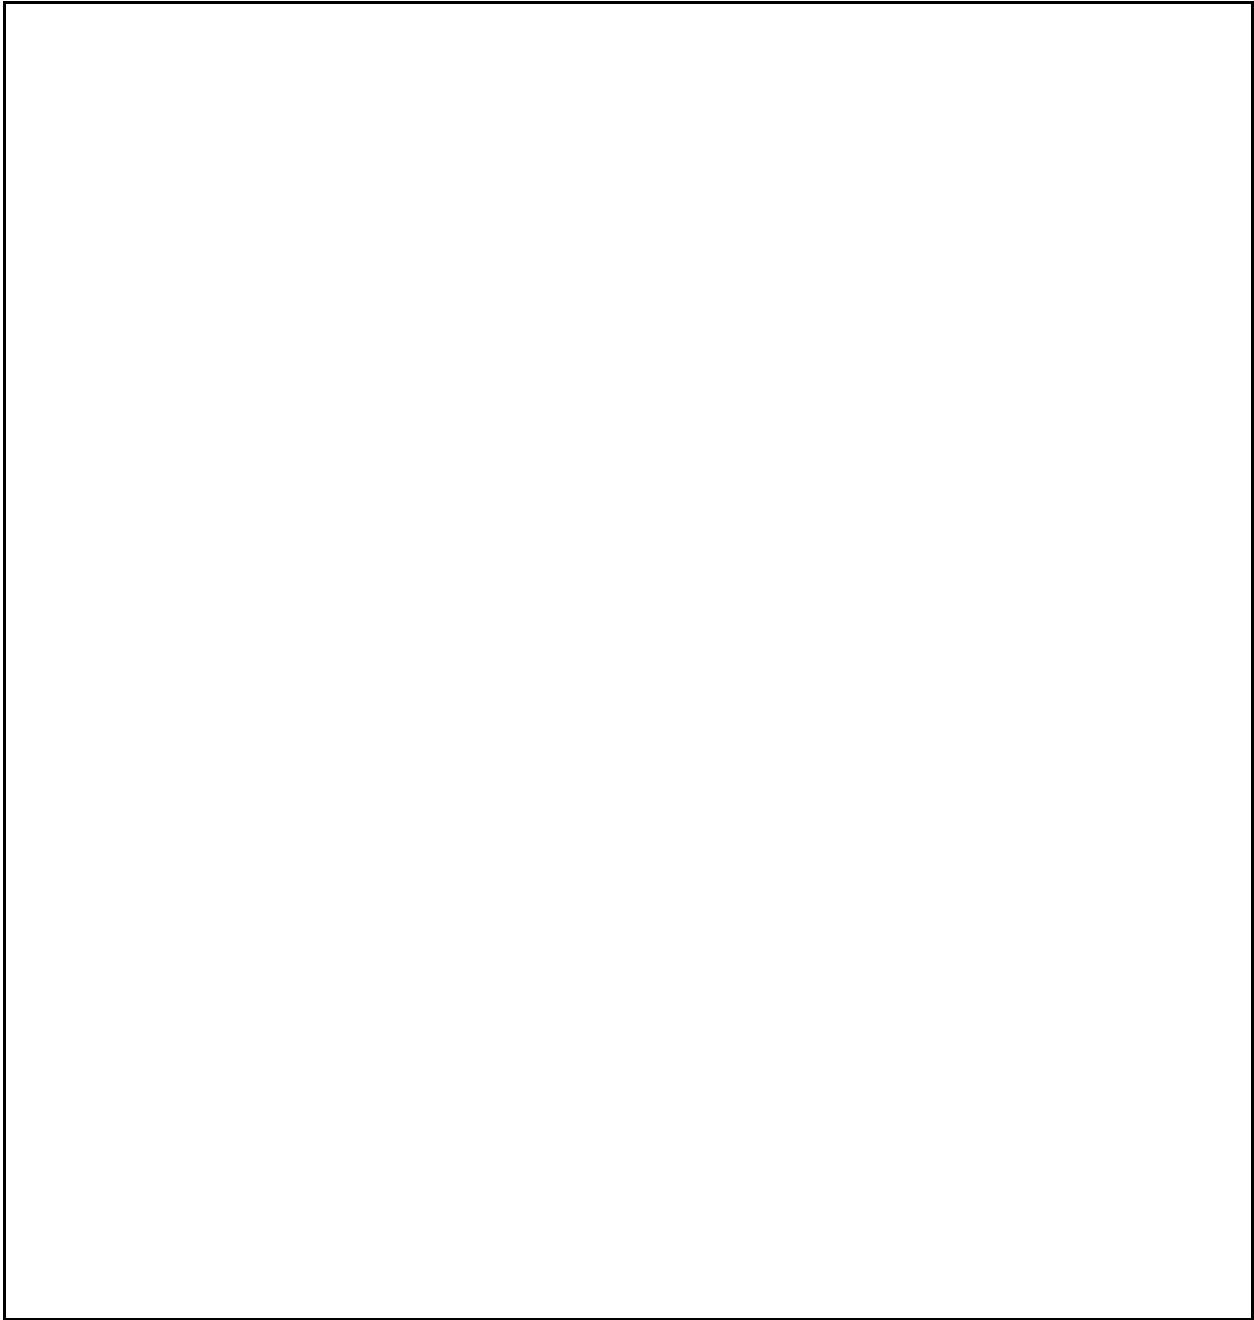

*Students must keep a 4" unpainted border between the white parking space lines and the paint in their parking spot (please use blue painters tape)

SHS PARKING SPACE DESIGN APPROVAL FORM

Please provide a replica of your parking space design below. This design sheet must represent exactly what will be painted on your parking space if accepted. **Your design must be submitted to Ms. Neal or Mr. McDonnall for approval by Friday, August 2.**
