

Chromebook Wifi Connection Guide

1. Log in to your Chromebook using your school email address and password.
 - a. Email format:
firstname.lastname####@starkvillesd.com
(#### is the last 4 digits of the student's MSIS number)
 - b. Password format: Sd##### (MSIS without 00's)

2. In the bottom right corner, select the wifi icon.

3. The menu will expand. Select the wifi icon again to see which networks are available.

4. Select your network or personal cellular hotspot to connect.
