Dear Little Silver Families,

I hope everyone is doing well and enjoying all of the great fall weather we have been having in recent weeks. The purpose of this letter is to make you aware of a scheduling change that will be made during the first week of November. As many of you know, Governor Murphy has made the decision for all public schools to be closed for in-person learning on Election Day. The Governor made it clear that even if our schools are not used as polling places, they are only allowed to be open for virtual instruction on Tuesday, November 3, 2020. As a result of this requirement, our schools will experience the following schedule change during that week:

Monday, November 2 - both schools will be open for live learning and operate on their early dismissal schedules as per the phase 3 plans.

Tuesday, November 3 - all staff and students will have a fully virtual day of teaching and learning.

Wednesday, November 4 - both schools will be open for live learning and operate on their early dismissal schedules as per the phase 3 plans.

Thursday, November 5 & Friday, November 6 - both schools will be closed for the annual NJEA Convention.

I apologize for any inconvenience the above schedule change may cause, but hopefully having this information in advance will enable families to make appropriate arrangements.

Respectfully,

Superintendent
