January 21, 2021

Dear Little Silver Families,

Due to the number of new positive cases of Covid-19 at MPS and PRS that have been reported over the last 24 hours along with the significant number of staff and students expected to quarantine, the decision has been made to transition both schools to fully remote instruction for Friday, January 22nd.

Having a fully remote day tomorrow will allow the nurses and administration to complete the contact tracing process. Once that process has been completed and the district receives the anticipated test results for multiple staff members and students, a determination will be made about reopening one or both schools for Tuesday, January 26th. A follow up notice will go out to all staff and families on Monday, January 25th to make everyone aware of what to expect for next week.

Thanks,

A handwritten signature in cursive script that reads "Michael E. Ettore".

Michael E. Ettore
Superintendent
