

Authorization to Conduct Criminal Background Check

I understand that my employment with Nunez Community College is contingent upon a favorable criminal background check. An unfavorable background check could result in the withdrawal of any employment offer. I further understand that if my background check is unfavorable, I may explain, refute, or correct information. Corrections must be made, and another background check must be completed and returned as favorable within 10 days before I can be employed by Nunez Community College. I also consent to having my fingerprints taken as required by the State Department of Corrections as part of the overall background check process.
