Nunez Community College**

---

**Students with ACT Scores of 24 or Higher**

- Good candidates since these will most likely be TOPS eligible. Utilizing this waiver allows a student to complete 2 years of education with no out of pocket expenses or loans necessary
- Emphasis on cost effectiveness of Community College then transfer to 4 year school
- Initial cost for prospect data base \$564
- Fee Waiver of \$700/semester for full time students
- This waiver should approximately breakeven in the initial year, but we expect as this is promoted regularly in HS recruiting events to be a significant gain for NCC
