Refund Policy

PURPOSE

This policy defines refund procedures that apply to tuition and fees for students who withdraw from the college or reduce the number of hours in which they enroll. Nunez Community College will refund a portion of the tuition and fees to any student who officially drops, withdraws, or is dismissed from a course(s) within the drop/withdrawal deadline. Refund periods will be specified in the Academic Calendar.

SCOPE

This policy applies to all credit-seeking students.

POLICY

Refund periods will be specified in the Academic Calendar. Payment in full of tuition and fees must be received by the payment deadline as indicated in the Academic Calendar and specified on the billing notification. An obligation to pay tuition and fees in full is incurred at the time the student enrolls in a course(s).

If a student decides not to attend the College, it is the student’s responsibility to drop all courses before the payment deadline. The student will be financially responsible for any courses that remain on their schedule after the payment deadline.
Refund amounts and adjustments will be calculated per the following guidelines. Adjustments to all fees and charges must be in accordance with the following guidelines or when required by federal law or regulation to be otherwise.
