## **Alcohol Policy**

South Louisiana Community College prohibits the consumption of alcoholic beverages on any of its campuses except at officially sponsored events. In order to receive approval for alcoholic beverages to be provided, the following guidelines and procedures must be followed:

Written request submitted to the chancellor one week before the event. Request should include date of the event, purpose of the event, expected audience attendance (i.e. students, faculty, staff, community, elected officials, etc.) and number of people expected to attend.

If the chancellor approves, the approval must be sent to security to make arrangements to have a security guard(s) present during the entire duration of the event.

The following provisions of state and local regulations and ordinances must be followed at the officially sponsored event where alcoholic beverages are provided:

Louisiana Revised Statute 14:93.12 states that it is unlawful for any person under twenty-one (21) years of age to purchase or have public possession of any alcoholic beverages unless exempted by law.

Louisiana Revised Statute 14:93.13 states that it is unlawful for any person, other than a parent, spouse, or a legal guardian, as specified in R.S. 14:93.10(2)(a)(ii), to purchase on behalf of a person under twenty-one years of age any alcoholic beverage
