Admissions Policy

South Louisiana Community College grants admission to any person 17 years of age or older, regardless of prior academic preparation, as long as the following criteria are satisfied: (1) the person has completed and submitted an application for admission; (2) the person has provided proof of selective service registration as required by Louisiana R.S. 17:3151; and (3) the person has satisfied the requirements of Louisiana R.S. 17:170 related to the immunization of persons entering school. Persons 16 years of age or younger must, in addition to the requirements stated above, provide proof of graduation from a state-approved high school or high school equivalency to be fully admitted to any LCTCS institution. Some educational programs may require additional information or documentation for admission into the program in order to achieve program or industry accreditation standards; however, these requirements will not have an impact on full admission to the institution.

This policy does not apply to dually enrolled high school students and international students.

All eligible persons are assured equal opportunity for admission without regard to ethnicity, religion, gender, national origin, age, disability, marital status, or veteran's status.
