

Career, Transfer and Advising Services

Career, Transfer and Advising Services Welcomes New Staff

Career, Transfer and Advising Services would like to welcome Ms. Jawand Morris in her role as Internship Specialist. Ms. Morris possesses a Bachelors Degree in Communication and Masters Degree in Organizational Leadership and has extensive experience in program development and coordination. Prior to SLCC, Ms. Morris was the Director of Leadership Development at MidSouth Bank as well as an Intensive Case Manager for Volunteers of America. Ms. Morris has a strong background in training and experience assisting students.

Stop by our office today to welcome Ms. Morris to our team and see how she can assist you with obtaining an internship before you graduate.

Career, Transfer, & Advising services is happy to announce we have implemented an Internship Program for our Career and Technical Education students. Internships help students gain valuable experience in their field before they graduate.

If you are enrolled in a curriculum leading to a degree, have completed 1 semester of coursework, are enrolled in 6 credit hours, have a 3.0 GPA or higher, and are eligible to work in the United States stop by Career, Transfer, and Advising Services to discuss internship opportunities.

Part-Time Job Fair

On August 18, Career, Transfer and Advising Services hosted SLCC's first Part-Time Job Fair.

We invited representatives from many different industries to visit SLCC and discuss their available job opportunities to students that were seeking part-time work. The fair was a great success with seventeen companies attending the event who extended interviews and job offers to students. Over 120 students attended the part-time job fair to get information about job opportunities that are available while they are still in school.

Be sure to check out our upcoming events page found at www.solacc.edu/careersuccess to find a complete list of fairs we will be hosting this semester.

Alumni Spotlight

Name: Madison Baudy

Major: General Studies

Hometown: New Orleans, LA

Plans after SLCC: Madison will be graduating this December and plans to continue her education by transferring to Southern University to earn her bachelor's degree in nursing.

How was your experience using Career and Transfer Services?

"I decided to start my frequent visits to the center in hopes to receive information about 4-year colleges. Mrs. Lindsey assessed my previous college credits and helped me identify which classes transferred to the college I plan to attend."

Prepare for Career Success Now

Every semester Career, Transfer and Advising Services conducts several professional development workshops for students to help them successfully enter the workforce and gain meaningful employment. By attending these workshops students will learn how to build a resume that lands them the interview, learn critical information that will help them ace the interview and gain valuable knowledge on how to retain employment.

Instructors who are interested in scheduling a workshop for students can do so by going to www.solacc.edu/careersuccess and filling out the presentation request form.
