

Student Spotlight

Name: Dwight Alexander

Major: General Studies

Hometown: Carencro, LA

Plans after SLCC: Dwight will graduate this May and he plans to continue his education by transferring to a 4-year school in the fall to earn his bachelor's degree in sociology. He is committed to making a difference in the community.

How was your experience using Career and Transfer Services? "It has always been a good experience. The staff is very helpful and assisted me with identifying 4-years schools to attend when I graduate. They also helped me revise my resume so I am ready to apply for jobs when I graduate and informed me about scholarship opportunities for transfer students at 4-year schools."

Preparing for a

A career fair is an excellent opportunity for students to network, meet employers and discuss potential job opportunities. To get the most out of a career fair it is important to properly prepare. Below is a general guide to follow before attending a career fair.

1. Research registered employers.
2. Bring multiple copies of your resume.
3. Dress professionally!
4. Prepare a 30-second introduction. Your introduction should sound natural and include your name, present status, your skills and relevant questions that the employer can respond to.
5. Ask for employers' business cards for follow up discussions and thank you notes.

Contact Career, Transfer and Advising Services for one on one assistance.
