Enter Time

Click on the blue “Enter Time” button.

Your timesheet for the current active pay period is displayed.

To view a prior pay period timesheet, click on the “Prior Periods” link on the right side of the page. You will see the submission history of your timesheets.

To start your timesheet, click on the box “Start Timesheet”. The first week of the pay period will be displayed, and you will see the message “Timesheet successfully created” in a green box on the top right:
Your timesheet will have your Title and Position number, Department, Time Sheet Period, and Submit Date (the date you must submit your timesheet to your supervisor for approval).

Click in the box under the date for which you are entering time:

Click on the “Earn Code” box. Enter your “In” Time, and “Out” Time. Use the drop-down arrow to select time by half-hour increments, or manually key in actual times in/out.

To enter multiple in/out times (for example time out for lunch break, then time in upon return) click on “Add More Time” to add another row for time entry.

If you are prompted by the system to enter a comment, do so. Your comment may be as simple as “clocked in”, “clocked out”, “left early”, etc.

Remember to save your entries by clicking on the “Save” button at the bottom, on the right.
Click on the blue arrow on the right side of your timesheet to scroll to the second week of the pay period.

Follow the same procedure to enter time in and out for the second week. Save your entries.

There are two “tool” icons that are useful when entering time and completing your timesheet. They will appear on the right side of the page, just under the days of the week. When should you use these tools:

The “pencil” is an edit tool. Click on the pencil to make changes to time/hours entered and saved.

The “copy” icon allows you to copy a daily entry to other days within the pay period if the hours worked are the same for each day.

The “dots” are a delete tool. Click on the dots to delete a time entry. You will be prompted to confirm that you really want to delete the entry, click on yes or no, as appropriate.

Always preview your changes, then save. Once your timesheet is completed for the pay period (all hours worked have been entered and saved), click on the “Preview” button at the bottom left of the page, next to the “Save” button. A preview box will be displayed:
The “Earning Distribution” section lists the number of hours worked for the entire pay period.

Use the scroll bar to view the “Weekly Summary” section, which lists the total hours worked each week:

Once you have reviewed your timesheet entries via the preview box and are ready to submit to your supervisor for approval, click on the teal “Submit” button at the bottom of the preview box.
You will receive this message in the upper right corner of the page:

If you receive a different message, or an error that you are unable to correct, contact your Human Resources office for assistance.

Any time you access your timesheet, you will see the current status of your timesheet. Once you have submitted it to your supervisor for approval, you will see information regarding when it was submitted.
