

- Accidents happen! When they happen to your child, someone must pay the bills.
- Here are Accident only insurance plans to cover your child either 24 hours a day (24-Hour Plan) or while in school (School-Time Plan).
- These plans provide benefits to help meet the cost of medical and Hospital expense.
- If you have other insurance, these plans will help offset the deductibles and coinsurance for those plans.
- If you have no other insurance, these plans will provide basic coverage.
- Any benefits payable by the Policy as a result of medical, surgical, dental, Hospital or nursing service will be paid directly to the Hospital or person rendering such service unless proof of payment in full is provided.

**24-Hour-A-Day Accident Coverage**  
*(Including Summer Vacation)*

Protects your child for the entire school year and extends throughout the summer - right up to the day school re-opens. Your child's coverage is good **WORLDWIDE, 24-HOURS-A-DAY**. This includes covered accidents:

- While engaged in sports, except those specifically excluded or for which optional coverage is required\*
- At play

Travel time on the school bus is extended for any additional time needed.

In addition, coverage is provided while participating in (or attending) covered activities exclusively organized, sponsored and solely supervised by the school and school employees, including travel directly to and from the activity in a Designated Vehicle furnished by the school and supervised solely by school employees. Optional coverage may be required for interscholastic sports. See **OPTIONS** for available optional sports coverage, if any.

**Optional Football Only Accident Coverage** begins on the date of premium receipt by GTL, its representatives or school officials, but not prior to the first official date of practice; and continues through the date of the last official game of the current season including playoffs. **Football premium covers football only.**
