Keystone Cares
We are committed to giving back to others and supporting local and national causes. We hold many free celebrations and events to show our appreciation for students, parents, and residents of LaGrange.

We also donate thousands of dollars to many organizations, including local food banks, the Boys and Girls Club of Lorain County, Saint Jude Children’s Research Hospital, Susan G. Komen Foundation, Rainbow Babies and Children’s Hospital, and the Leukemia and Lymphoma Society. The donation drives, monetary collections, and community service projects illustrate the exceptional quality and commitment of our students.

Fiscally Responsible
We value our community’s commitment to our school system and pride ourselves on being fiscally responsible by providing high performance at a low cost. We spend $9,264.57 per student, which is the third lowest in Lorain County and $2,338.55 less than the state’s per student average.

Our prudent fiscal management enables us to continue to offer small class sizes, state-of-the-art technology, highly trained teachers, extensive course offerings, a wide range of extracurricular opportunities, competitive athletics programming, and more.

Keystone Achieves Continued Success On State Report Card
On the State’s most rigorous assessments to date, Keystone earned an “A” in three categories: Overall Value Added and both 4 and 5 year Graduation Rate.

In addition, the district outperformed the state average on all 23 assessments throughout grades 3-HS.

Furthermore, Keystone earned among the county’s highest scores in both K-3 Literacy and progress of students with disabilities.

Rigorous Coursework
We challenge students to achieve their maximum potential by offering upper level coursework as well as enrichment opportunities. Students can earn college credit on-site in Anatomy, Biology, Chemistry, Spanish, and College Composition. We also offer numerous AP Courses and our online Wildcat Academy.

Competitive Athletics
Our student athletes succeed both on and off the field. Our athletic programs are highly ranked, within not only Lorain County but state and nationwide as well. Keystone’s legendary softball program won several State Championships and earned recognition as one of the top programs in the nation. Our cross country, track, volleyball, baseball, basketball, wrestling, and football teams have won Patriot Athletic Conference titles and sent athletes to earn local and state awards. Pairing athletic success with academic diligence, Keystone athletes earn scholarships to play at the college level, attending schools such as Purdue University, Ohio University, Penn State, Kentucky, Oberlin, and more.
