

Back to School Transportation Plan 2020-21

THIS PERTAINS TO K-5 ONLY. KMS BUSING WILL REMAIN THE SAME AS LAST YEAR.

We continue to receive guidance from local health authorities concerning busing for the upcoming school year. Due to social distancing mandates and student safety, we do not foresee being able to provide busing for students living within a 1-mile radius of the school. This decision is based on our present numbers of bus riders and social distancing requirements. We are very sorry for the hardship this will cause families living within the 1-mile radius of the school, and we appreciate your understanding.

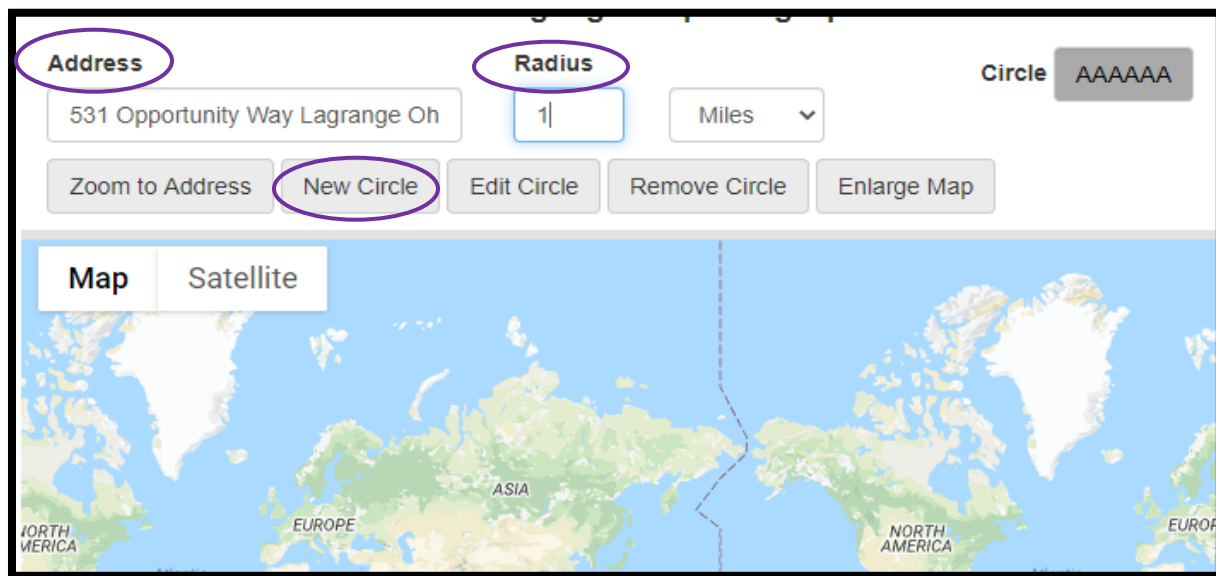

To view your distance from the school,

Step 1: Navigate to <https://www.mapdevelopers.com/draw-circle-tool.php>

Step 2: In the ADDRESS field, type **531 Opportunity Way Lagrange Ohio**.

Step 3: In the RADIUS field, type **1** (*the number*).

Step 4: Click New Circle. If your home falls within the circle that appears on the map, we cannot offer your child transportation at this time.
